### INTRODUCTION

Proshow Audiovisual delivers an outstanding event experience at the highest level of service and quality by maximizing state of the art technology to create impactful experiences that clearly communicate our clients' messages. Much more than an equipment supplier, we are second to none in client-focused audio visual services, and we engineer innovative technology-driven creative solutions designed to capture and present each event's distinct vision and requirements.

Proshow is uniquely capable in our scale and scope to produce audio visual projects of all sizes, regardless of complexity and intricacy. Our services include large screen, high resolution LED, 4K+ panoramic projection, HD/4K cameras, graphics switching, 3D mapping, webcasting, sound reinforcement and everything technical you might need for live events of all types. We support thousands of events annually in Canada and are driven by an enterprise-wide passion to provide flawless technical services and exceptional event experiences to each and every client, audience and participant.

### OUR PEOPLE

Industry-leading expertise, an innovative spirit, relentless attention to detail and precise execution are the hallmarks of our most valuable asset, the Proshow team. Our technicians love what they do and are among the best in the business at delivering seamless audio, video, broadcast, and webcasting services.

### OUR EQUIPMENT

We supply state-of-the-art equipment, supported by industry-leading proprietary packaging and quality control processes and backed up by our unparalleled in-house engineering and service department. Our product offerings include:

#### Video

- Theatrixx 2.6mm LED video wall systems
- Barco UDM-4K22 laser projectors
- Conventional 16:9 and ultra-wide (up to 160' wide) projection screens
- Barco Event Master screen management systems
- Dataton Watchout! media servers
- Sony and Black Magic URSA broadcast studio cameras with lenses up to 90x

#### Audio

- Shure Axient Digital and ULX-D wireless microphones
- Meyer professional line-array systems (M'elodie, Mina, Lina)
- Yamaha QL5, QL1 and LS9 digital consoles

#### Simultaneous Interpretation

- ISO4043-2016 compliant multi-language wireless distribution systems from Bosch

#### Presenter Support

- Confidence monitors

RIGGING SERVICES

# PERSONNEL AND SERVICES RATES

## RIGGING SERVICES

---

### INTRODUCTION

Riggit Services Inc. is a full-service rigging company with over 20 years' experience in the corporate event arena. We offer innovative, safe, and economical rigging solutions with services ranging from consultation, rentals, rigging plot design to installation and on-site technical expertise.

We offer innovative rigging systems for everything you need to hang including:

- Audio
- Drapes and soft goods
- Displays and banners
- Lighting
- Pyrotechnics & special effects
- Scenic décor
- Scenic carpentry
- Signage and banners
- Video projection

As a key rigging supplier to clients across Canada and the United States, our goal is to meet our clients' needs – every time. If we don't have it, we'll find it. If we can't find it, we'll make it. We will supply any gear required including:

- Aircraft cable
- Key clamps
- Span sets
- Beam clamps
- Lifting slings
- Straps
- Pipes
- Swaggers
- Trollies
- Truss
- Shackles
- Chain motors

As the facility's exclusive rigging supplier, we maintain offices at the Vancouver Convention Centre and are always available to answer your questions. Our extensive on-site inventory allows us to give you full rigging support without costly rush couriers when last-minute items are required.
